AMAZON™

Loading on the Apple® II series

Note: This game uses one disk drive.

1. Make sure the computer is turned off.
2. Insert game disk Side C into the disk drive. For Apple IIe and IIc, depress the CAPS LOCK key.
3. Turn on the computer.

Additional Instructions

Selecting Command Controls
In the course of your AMAZON mission, you may elect to use a joystick (in addition to the keyboard) by entering **JOYSTICK**. The program will automatically assume keyboard use if no other command is entered. You may change means of play by entering **KEYBOARD** or **JOYSTICK** at any time.

Keyboard Commands for Action Sequences

On Apple II+

Use the **I, J, K, M** keys to control direction.

When using the Laser, use these keys only:

Press **space bar** to shoot.

On Apple IIe and IIc:

Use the four directional arrow keys at the bottom right of keyboard.
